

The Alabama Organization  
of Nurse Executives

**2016 Call for Abstracts**  
***Leading Innovation: Transforming Healthcare***

Dear Colleague:

Thank you for your consideration and interest in presenting at the Alabama Organization of Nurse Executive Conference. The 2016 conference will be held October 7, 2016 in Mobile, Alabama. The conference is a statewide nursing leadership conference held annually with participation of around 100 nurse leaders each year. Evaluations of this conference continue to be excellent and it has earned a great reputation.

The program committee seeks proposals that reflect current trends in innovation and transformation in care relative to today's nurse leaders. Speakers should be experts on the topics that they present and should incorporate the most recent research and advances in practice. Content should relate to the development of competence, proficiency, and excellence in specific areas of nursing leadership. Proposals are encouraged from health professionals in all disciplines.

- Primary speakers will be expected to present approximately sixty to ninety minutes depending on needs of speaker.
- The rapid fire speaker will be expected to present their information and allow for questions within a 15 minute time frame.
- Poster presenters should have one person available at the poster areas during breaks and vendor times.
- Speakers are encouraged to submit more than one proposal. Please prepare each proposal as a separate document.
- Sessions should be limited to one speaker unless the nature of the presentation demands an additional presenter.

All presenters receive complimentary conference registration. Primary speakers also receive lodging for one night if not a local speaker at the hotel designated by AlaONE, and ground travel expenses up to \$100.00 travel reimbursement (any other transportation expenses must be

handled/approved by the program committee). **Any other expenses are the responsibility of the speaker.** Only one speaker per proposal will receive accommodation for travel; additional speakers will receive complimentary registration only

If you are submitting a proposal for a sponsored session, you are responsible for making all sponsorship arrangements directly with the company or institution. The sponsor is responsible for the honoraria and expenses of the speaker. AlaONE will provide complimentary registration for the speaker. AlaONE will not assume expenses if the sponsor withdraws. Funding is not a part of the selection criteria. Speakers selected must provide slides two weeks prior to the event for download. Though AlaONE should have your presentation downloaded to a laptop for your presentation, is always encouraged to have a backup resource for your presentation.

The attached documents must be submitted electronically to [sengle68@gmail.com](mailto:sengle68@gmail.com) in MS Word Times New Roman 12 font. **Deadline for all proposals is August 26, 2016.**

Notification of receipt of proposal is provided if the speaker submits via email only. Notification of acceptance or non-acceptance will be e-mailed by September 2, 2016. Speakers who are selected will be responsible for submitting a signed agreement and W-9 if receiving travel expenses. Presentation slides should be provided via email by September 23, 2016. The materials will be available electronically on a shared site for participants to download and print prior to the conference.

We look forward to receiving your proposals and abstracts.
