

2016 Series

Prescribing of Controlled Drugs and Opioid Prescribing: Safe Practice, Saving Lives

Presented by the Medical Association of the State of Alabama,
the Alabama Board of Medical Examiners and the Alabama Board of Nursing

DON'T DELAY!

These Courses will fill up quickly.
Please register early!

For more information, visit
www.alamedical.org/Prescribing

Who Should Attend?

The activities are designed for physicians of all specialties, physician assistants and certified registered nurse practitioners and nurse midwives.

Prescribing of Controlled Drugs

8 hours: Saturday in March and November; Friday-Saturday in July

This intensive course will enhance the healthcare professional's ability to effectively prescribe controlled medications while maintaining patient access to pain medications and minimizing misuse and abuse.

Opioid Prescribing: Safe Practice, Saving Lives

Collaborative for
REMS Education

Previously known as ER/LA Opioid REMS

4 hours: Sunday in March, July and November

This course will enhance the healthcare professional's ability to effectively prescribe controlled medications and manage ongoing therapy, evaluating risks and potential benefits of ER/LA opioid drugs.

Seminar Details

New Topic

- Acute Pain Management

Opioid Prescribing: Safe Practice, Changing Lives

Acknowledgement

Presented by the Medical Association of the State of Alabama, a cooperating member of the Collaborative on REMS Education (CO*RE) interdisciplinary organizations working together to improve pain management and prevent adverse reactions.

RPC Commercial Support Disclosure Statement

This educational activity is supported by an independent educational grant from the ER/LA Opioid Analgesic REMS Program Companies (RPC).

Please see http://ce.er-la-opioidrems.com/lwgCEUI/rems/pdf/List_of_RPC_Companies.pdf for a listing of the member companies. This activity is intended to be fully compliant with the ER/LA Opioid Analgesic REMS education requirements issued by the US Food and Drug Administration.

Hours of Instruction

The Prescribing of Controlled Drugs and Opioid Prescribing: Safe Practice, Saving Lives courses total 12 hours of instruction: 8 hours and 4 hours, respectively.

The Alabama Board of Nursing awards 14.7 contact hours, ABNP0001, expiration May 1, 2017. Contact hours* will be submitted to each nursing participant's individual CE record.

Nurses are required to have their nursing license at the conference to record contact hours via ABN tri-corders (scanners).

Note: The 12-hour Prescribing and REMS course is required to obtain a QACSC.

*These contact hours meet the requirement for 6 hours of pharmacology for license renewal.
