A. Practice

1. Report

A written report on Standardized Procedure Application Activity was accepted, as information, on the Consent Agenda.

B. Continuing Education

1. Report

A written report on Continuing Education Providers and CE Activities was accepted, as information, on the Consent Agenda.

V. POLICY

A. New Rules: Advanced Practice Loan Repayment Program 610-X-12

The state legislature recently approved a new program which enables advanced practice nursing students and nurses to submit applications for loan repayment to the Board. The approval of a loan requires an agreement to serve in an area of critical need as specified by the Board. The loan repayment agreement will contain the service and program requirements the student/nurse must meet for the program. The proposed rules will enable the board to implement this new law effectively. The area of critical need will be determined by the Board at a later Board meeting this year and annually thereafter.

Ms. Benson discussed the need for language clarification from the 2016-353 Act to determine if the loan can be given to previous graduates or if the loan is for current students only. The legislative intent discussed during the legislative process was to include loan for advanced practice nurses who had previously graduated. However, the actual language in the act 2016-353 is not clear and needs to be reviewed and determined prior to implementation. The best option is for the Board to seek an Attorney General's opinion.

On May 19, 2016, Ms. King moved that the Board approve the proposed rules for The Creation of Alabama Administrative Code 610-X-12 Loan Repayment Program for Advanced Practice Nursing. Ms. Bailey seconded. Motion carried without objection.

On May 19, 2016, Ms. Bailey moved that the Board approve a resolution requesting the Attorney General's opinion related to 2016-353. Ms. McDonnell seconded. Motion carried without objection.

B. Graduate Nursing Scholarship Chapter 610-X-11

The Board rules are currently more restrictive than required in law and the way monies are paid may create a hardship on students. On review of other Board's current internal scholarship program process, the new rules are far less restrictive and allows nurses to receive the money as a onetime payment annually. The promissory note will contain the service and program requirements the student must meet for the scholarship.

On May 19, 2016, Ms. Bailey moved that the Board approve the repeal and replace revisions to Alabama Administrative Code 610-X-11 Graduate Nursing Scholarships. Ms. Hill seconded. Motion carried without objection.

VIII. ADVANCED PRACTICE

A. Report

A written report was accepted, as information, on the Consent Agenda.

B. Dermaplane

Leia Hunt, Family Nurse Practitioner (FNP) and Clancy Johnson, MD, Dermatology, received approval for collaborative practice in May 2013. The practice is located in

Cullman, AL where Dr. Johnson has hospital privileges at Cullman Regional Medical Center; there are no remote practice sites associated with this collaboration. Ms. Hunt is approved for the following specialty legend drugs: Antineoplastic agents, Non-Biologic DMARDs, Biologic DMARDs, and Non-tumor Necrosing Factor Inhibitors; and the following skills: ultra-violet therapy, maintenance and direction, and superficial depth chemical peel.

Dermaplane is requested to improve the performance of superficial chemical peels and remove vellus hairs. The procedure will be performed at the discretion of the nurse practitioner in the absence of any identified contraindications. Dr. Johnson will be on-site during the procedures or readily available by phone. Ms. Hunt completed dermaplaning and skin peel training with the vendor's (SkinCeuticals) licensed aesthetician in April 2016. Dr. Johnson will validate initial competency through supervised practice to include 20 procedures (simulated or performed) and an annual competency validation. The Quality Assurance review will include a monthly review of 10% of all procedures and 100% of all adverse events.

On May 19, 2016, Ms. Dearmon moved that the Board approve that the Dermaplane procedure is within the legal scope of practice for a certified registered nurse practitioner with documented education, training and experience. Ms. Hill seconded. Motion carried without objection.

C. Botox for Chronic Migraines

Sarah Ann Driscoll, Family Nurse Practitioner (FNP) and Diane Counce, MD, Neurology, received approval for collaborative practice in January 2016.

In October 2004, the Board of Medical Examiners determined the injection of Botox, Restylane, and Collagen to be the practice of medicine and may only be performed by a physician.

Botox injections involving a total of 31 IM injections in 3 regions of the head and neck; forehead, temples, occipital region, and neck. It is a well-defined treatment paradigm established in clinical trials by Allergan. The patients will have evaluated in a clinic appointment prior to the procedure and have normal exams 99% of time. Injections are given in precise anatomical locations as described in paradigm, using 1 cc syringes and 30 gauge needles with Botox brand medicine. Injections are given every 3 months. Expected results-85% of patients show improvement after the 1st, 2nd, or 3rd injection. Aftercare is minimal. Follow up to the patient is made 6 weeks after the 1st injection and then variably after that point, depending on the results of treatment.

On May 19, 2016, Ms. Hill moved that the Board approve to provide direction to the staff if additional information is required to determine whether Botox injections for treatment of chronic daily migraines may be performed by a

CRNP in collaborative practice with a physician qualified to perform the procedure. Ms. Dearmon seconded. Board denied approval.
