- **Preventing Opioid Misuse and Abuse** – A Guide to Opioid Use Disorder and Tapering Opioids
- **NOWS the Time to Reduce NAS** – A Guide for Managing Newborns Affected by Opioids

15-20 Minute Virtual Educational Outreach Visits

Clinical pharmacists from UIC College of Pharmacy and Illinois ADVANCE provide one-on-one interactive education to help healthcare providers safely manage chronic pain.

Scan to Schedule Your Free Visit

Each visit is approved for 0.5 hours through ACCME, ACNE, and ACPE.

Each visit meets DEA requirements for opioid education and is fully compliant with the Opioid Analgesic Risk Evaluation and Mitigation Strategy (REMS) education requirement issued by the FDA.
