**C. University of Montevallo, new BSN Program Phase I Application**

Ms. Smith reported that Alabama Board of Nursing Administrative Code Section 610-X-3-.06 Establishing a New Program requires a two-part process. In Phase I, the governing institution must submit a letter of intent and a feasibility study. The Board then reviews the letter of intent, feasibility study, and supporting documentation for completeness and compliance with rules and regulations and provides guidance regarding forward progress of the plan.

On September 17, 2021, the University of Montevallo submitted a letter of intent to establish a new Bachelor of Science in Nursing program with an RN to BSN pathway to the Alabama Board of Nursing. On August 24, 2022, the University submitted Phase I and Phase II applications and

Feasibility Review with supporting documentation. Following ABN staff review, additional information was requested. The Reports were resubmitted on October 14, 2022. Additional review by the ABN staff revealed that the application lacked vital information. On December 13, 2022, ABN staff met with representatives from the University to discuss concerns and provide guidance regarding the information required to complete the application.

The Phase I Application was received on February 3, 2023, and Board staff conducted a review of the materials submitted by the University of Montevallo and prepared an Evaluation of a Proposal for establishing a new Bachelor of Science in Nursing Program with RN to BSN option.

The University of Montevallo anticipates admitting students in the Fall of 2023 based on the submitted application. Based on a review of the materials compared to the requirements in the ABN rules, Board staff has determined that the University of Montevallo meets all of Phase I regulatory criteria, with the exception of "...the status of approval from accrediting bodies."

Dr. John W. Stewart III, President, Dr. Courtney Bentley, Provost and VPAA, Dr. Constance Hendricks Smith, Interim Director of BSN Program and Consultant, and Dr. Ruth Truss, Dean of College of Arts and Science were available to answer board member questions.

**On March 17, 2023, Ms. Seip moved that the Board review and approve the University of Montevallo Phase I Application for a new Bachelor of Science in Nursing Program with RN to BSN option. Dr. Dearmon seconded. Motion carried without objection.**
