This will log you into the school survey application. If you have not added a school for the current school year, the page will show a single drop down menu to select a school.

School System and Information

Registered nurses or licensed practical nurses who provide nursing care in the school setting through the twelfth grade may delegate specific tasks to unlicensed assistive personnel. The school nurse shall provide periodic and regular evaluation and monitoring of the individual performing the delegated tasks. The School Nurse Consultant or School Nurse Administrator shall submit a report(s) to the Alabama Board of Nursing in a format specified by the Board upon request (Alabama Board of Nursing Administrative Code, Chapter 7, Nursing Practice - Specific Settings).

This information is to solely be used by ABN and school nurses assigned to schools being surveyed. Any sharing with outside agencies could result in disciplinary action for the licensees.
