1. You must continue to check-in as normal through Affinity's Spectrum system.
2. You must purchase and manage your own inventory of U-VERIFY™ kits.
3. You must submit urine specimen the same day as requested.
4. You must have a kit on you otherwise a collection site must be used to remain compliant.
5. You must use the pre-paid return shipping label provided in the kit.
6. Test results will be posted in the Spectrum system.

New Participant Instructions

1. Visit <https://u-verify.phamatech.com/> and click on 'New Participant? Sign Up Here'.
2. Using **referral code 32347**, complete your enrollment.
3. Verify your account using the auto-email sent to you (check spam/junk folder if not in Inbox!).
4. Select 1 Starter Kit + the quantity of Repeat kits you would like to purchase and click '**CHECKOUT**'.
5. Complete payment using a valid credit card. Once your payment is confirmed you will be taken back to your account dashboard.

Upon receipt of your first order, do NOT open any kits. Email uverify@phamatech.com to schedule your virtual appointment to have your one-time cheek swab observed. You will need to use your **GREEN KIT for the first test.**

First U-VERIFY™ Test

1. Attend the virtual appointment with Phamatech representative using your **GREEN** starter kit.
2. Email your specimen ID # located on the chain-of-custody (COC) form with your name to uverify@phamatech.com.
3. Submit your specimen to UPS courier on the same day as your test notification by 5pm local time and obtain a receipt as proof of submission.

Repeat U-VERIFY™ Testing

1. Receive your urine test notification Spectrum check-in.
2. If you want to use a U-VERIFY kit to complete your test, please use a **black** collection kit and submit it to the UPS courier the same day by 5pm local time. Be sure to obtain a receipt as proof of submission.
3. **To ensure you are not flagged as a 'no-show' within Spectrum, email your specimen ID # located on the chain-of-custody (COC) form with your name to uverify@phamatech.com.**
