Alabama Board of Nursing Out of Protocol Skill Request Application

Note: Training may not begin until the CRNP receives written approval from the Alabama Board of Nursing, and the physician must receive written approval from the Alabama Board of Medical Examiners. Approval to train does not constitute final approval of the additional skills. Final approval is granted only after the required supervised practice documentation has been submitted to and approved by the appropriate Board(s). The supervised practice documentation must be submitted within one (1) year of the date approval to train is granted.
